

Telemarketing- Data Cleansing

Marco Specialty Steel, Inc is a family owned and operated steel distribution and fabrication Company located near Hobby Airport in Houston Texas. Since 1991 our goal has been to provide the best, customer focused service in the metals industry to all customers, whether your requirement is large or small. We set high standards, and we abide by them as we practice business fairly and behave ethically. We share our expectations with each other and strive to maintain a workplace built on mutual values, trust and goodwill. In short, we expect excellence, and reward hard work and loyalty.

The Telemarketing and data cleansing candidate will make calls to interview our customers and ask them the right questions to update, and complete their customer contact record. It's a **fast paced environment** where attention to detail and accuracy are absolutely critical. You must have a great phone voice, and be an excellent communicator. You will be provided a script to help you until you develop your own style.

Requirements:

Must be highly motivated and energetic

Professional upbeat sounding telephone voice

A desire to interact with prospective customers with consultative selling approach

Able to make approximately 100 calls per day

Ability to take direction and follow through

Benefits:

In exchange for your hard work and dedication, we offer a compensation package that includes excellent pay, retirement plan, paid health benefits and a friendly casual work environment in our convenient South Houston location. If you want to be a part of our continued success and growth respond with a cover letter, resume and salary history.
