

Warehouse Associates/ Material Handling

Marco Specialty Steel, Inc is a family owned and operated steel distribution and fabrication Company located near Hobby Airport in Houston Texas. Since 1992 our goal has been to provide the best, customer focused service in the metals industry to all customers, whether your requirement is large or small. We set high standards, and we abide by them as we practice business fairly and behave ethically. We share our expectations with each other and strive to maintain a workplace built on mutual values, trust and goodwill. In short, we expect excellence, and reward hard work and loyalty.

Warehouse associates work in a team environment performing a variety of duties including pulling orders, putting away stock, loading and unloading trucks, shearing, sawing, and packaging steel products for delivery in our distribution warehouse. Must be flexible to train and cross train in various warehouse positions.
