

Expanded Metal Accessories

Expanded Metal U-Edging

Expanded Metal Accessories U-Edging is a u-shaped strip that easily attaches to expanded metal edges by welding or press-fitting making edges safer and more attractive by providing a finished look. U edging is sometimes used when creating infill panels which are fabricated to custom sizes. Marco Specialty Steel creates these custom expanded metal infill panels with precise dimensions using U-edging.

Stocked in 4 different openings in 18 ga. Carbon Steel – 12 lengths. Aluminum and stainless steel available by special order.

Description	Strand Width (A)	Strand Width (B)	LENGTH (C)	Gauge	Weight (Kgs)
U-Channel 1/2x1/8x144 CS	1/8"	1/2"	144"	18	0.79
U-Channel 1x1/4x144 CS	1/4"	1"	144"	18	1.88
U-Channel 1x1/8x144 CS	1/8"	1"	144"	18	1.88
U-Channel 1x1/16x144 CS	1/16"	1"	144"	18	1.88

1" U-Edging – 18 ga. 5/16" opening (35 lbs per 100 ft)

- Carbon: Standard fits all but 3/4" #9, 1-1/2" #9, 1-1/2" #6, 2" #10, 2" #9; Flattened fits all
- Aluminum: Standard fits all; flattened fits all (available special order)
- Stainless: Standard fits all; flattened fits all (available special order)

1" U-Edging – 18 ga. 1/4" opening (35 lbs per 100 ft)

- Carbon: Standard fits all but 3/4" #10, 3/4" #9, 1-1/2" #9, 1-1/2" #6, 2" #10, 2" #9; flattened fits all
- Aluminum: Standard fits all but 3/4" .081hvy, 3/4" .125, 1-1/2" .125; flattened fits all (available special order)
- Stainless: Standard fits all but 3/4" #9, 1-1/2" #9; flattened fits all (available special order)

1" U-Edging – 18 ga. 1/8" opening (34 lbs per 100 ft)

- Carbon: Standard fits ONLY 1/4" #20, 1/4" #18; flattened fits all
- Aluminum: Standard fits NONE; flattened fits all (available special order)
- Stainless: Standard fits NONE; flattened fits all (available special order)

1" U-Edging – 18 ga. 1/16" opening (34 lbs per 100 ft)

- Carbon: Standard fits NONE; flattened fits all BUT 1/2" #13, 3/4" #14, 3/4" #13, 3/4" #9, 1-1/2" #14, 1-1/2" #13, 1-1/2" #9
- Aluminum: Standard fits NONE; flattened fits ONLY 1/2" .051, 3/4" .051, 1-1/2" .081 (available special order)
- Stainless: Standard fits NONE; flattened fits all BUT 3/4" #13, 3/4" #9, 1-1/2" #13, 1-1/2" #9 (available special order)
